PUBLIC COMMENT – Attorney Urick brought up the subject of the notices of reassessment. He stated that the Borough received 11 properties.

First of all, the County hired Tyler Technologies to do reassessment notice, you were invited to meet with them in Rochester. They did nothing but ask for information and not give any. Notice was misleading, if you don’t act on it within 10 days it stated, you will lose appeal rights. False, you don’t lose appeal rights.

Attorney Urick said that he has partners on a committee that is dealing with appeals. Based off the mathematical end of it, doesn’t sound like they did a comparison. Currently the value for tax purposes is based on a 1982 value – out of date.

I feel you are all face a tax increase.

I will keep you informed of this matter.
